

Twin Half Mask Respirator

A premium half mask, offering maximum protection and comfort. An extra wide sealing surface gives unparalleled comfort and fit.

Reflective strips for increased visibility in low-light environments.

Fully adjustable 4 point cradle suspension ensuring an effective fit.

Low profile angular filter design for minimum visual impairment.

Exhalation valve makes breathing easier

- Low resistance exhalation valve for easy breathing
- Hypo-allergenic thermoplastic rubber for superior fit to most face shapes
- Wide adjustable elastic strap for a perfect fit
