

Standard Industrial Safety Helmet

CONFORMS TO
EN397:2012
+ A1:2012

This industrial safety helmet is manufactured from high density polyethylene (HDPE) and features top vents, a pinlock harness and a rain gutter. Head protection is essential for site workers for protection from falling objects or striking against fixed obstacles.

340 grams
HELMET WEIGHT

- Six point polythene harness with sweat band
- Rain gutter to channel water away from the helmet and face
- Easily adjustable to fit head sizes from 530mm - 630mm
